*"Bk 1 & 2" refer to the textbooks. "Bk 1" is the *Introductory Logic* book, and "Bk 2" is the *Intermediate Logic* book.

**Please note: Although the exercise numbers from the text are listed in the homework description, assignments will not always match the exercises exactly and there may be additional practice assigned that is not from the text, so it is imperative to use the assignment sheets provided on the website rather than this list.

***This is a tentative schedule. Dates may be subject to change if the need should arise due to a need for additional practice or the co-op schedule being interrupted by unforeseen events.
